Agenda Item

Introduction

Louise welcomed everyone to the meeting.
Louise sent apologies to everyone who was unable to attend the forum.

Refresher Round

Everyone at the Forum was given the opportunity to introduce themselves and what they and their organisation have been up to.

Terms of Reference

Everyone at the Forum was given a written copy of the feedback that was said about Volunteer Manager's Forum at the last Volunteer Community Breakfast.
From the feedback given it was agreed by all at the meeting what the Terms of Reference should look like and Louise will produce a typed up copy and circulate to everyone.

Volunteers Week

It was agreed by everyone at the meeting that Volunteers week should be on the agenda for the next couple of weeks.
It was suggested that there should be sub groups for Volunteer Weeks so that it is not talking over Forum.

ACOB

It was suggested that there should be a Volunteer Manager's discussing board on CTSi website so that managers can keep in touch with each other more closely.
