

Front of House

This Summer, we have worked to bring The Lego Exhibition to The Liberal Club in Alloa from the 17th July to the 7th August. There will be a fantastic exhibition, and two events people can get involved with to help us complete a "big build" and a "mosaic" themed around our lovely County. We are in need of volunteers to join our team for this event. There are a variety of different timings and days available. You can get involved for a few hours for one day, or a few days every week of the exhibition - it's up to you!

Whether you are a young person looking to try out volunteering, or a seasoned Lego lover, we need you to get involved! We would like as many local people as we can to get involved and be a hero in our community.

This role will involve:

- Welcoming people to the exhibition**
- Ensuring they know about any "housekeeping" (where the toilets are, if there is a fire drill that day and where the assembly point is).**
- Advising visitors of where else they may want to visit in the area (we will have local information on hand to be able to act as a tourist information point during the exhibition)**
